COUNTY OF MONTGOMERY |

We, Wedgewood Development, owner of the property subdivided in the above and foregoing map of Wedgewood, Section One, do hereby make subdivision of said property according to the lines, streets, alleys, parks, building lines, and easements thereon shown, and designate said subdivision as Wedgewood, Section One in the P. H. Herndon, J. McDillon Survey, Abstract 256 & 347, Montgomery County, Texas; and dedicate to public use, as such, the streets, alleys, parks and easements shown thereon forever; and do hereby waive any claims for damages occasioned by the establishing of grades as approved for the streets or alleys dedicated, or occasioned by the alteration of the surface of any portion of streets or alleys to conform to such grades; and do hereby bind myself, my heirs and assigns to warrant and forever defend the title to the land so dedicated.

This is to certify that Wedgewood Development has complied or will comply with all regulations heretofore on file with the Montgomery County Engineer and adopted by the Commissioners' Court of Montgomery County, Texas.

There is also dedicated for utilities an unobstructed aerial easement five (5) feet wide from a plane twenty (20) feet above the ground upward, located adjacent to all easements shown hereon.

FURTHER, we Wedgewood Development, do hereby dedicate forever to the public a strip, a minimum of land fifteen (15) feet wide on each side of the centerline of any and all gullies, ravines, draws, sloughs, or other natural drainage courses located in the said subdivision, as easements for drainage purposes, giving Montgomery County and/or any other public agency the right to enter upon said easements at any and all times for the purpose of constructing and/or maintaining drainage work and/or structures.

FURTHER, all of the property subdivided in the above and foregoing map shall be restricted in its use, which restrictions shall run with the title of the property, and shall be enforceable, at the option of Montgomery County, by Montgomery County or any citizen thereof, by injunction, as follows:

1. That drainage of septic tanks into road, street, alley, or other public ditches, either directly or indirectly, is strictly prohibited.
2. Drainage structures under private driveways shall have a net drainage opening area of sufficient size to permit the free flow of water without backwater, and shall be a minimum of one and three quarters (1-3/4) square feet (18" diameter pipe culvert).

FURTHER, we do hereby declare that all parcels of land designated as lots on this plat are originally intended for the construction of residential dwelling units thereon (or the placement of mobile home subdivision) and shall be restricted for same under the terms and conditions of such restrictions filed separately, unless otherwise noted.

WITNESS my hand in The City of Houston, Harris County, Texas, this 20 day of January, 1984.
